WHO AM I?

My name is Calie and I will be happy to help you achieve your goals here in the heart of Provence, where the clock stops ticking and the sun rises twice. (who said that?)

I am a native French speaker and have spent 25 years living as an expat in Washington DC, USA, India, Central Asia and Europe. I have a Master's degree in FLE from the Universite Grenoble-Alpes. I have enjoyed teaching French to diplomats, students and expats like yourself at the World Bank, Johns Hopkins University (Paul H. Nitze School of Advanced International Studies), the Inter-American Development Bank, the Alliance Française, and the Universite Sorbonne.

Now my husband and I have decided to move to France and there is no better place to teach French and French culture than in the beautiful, historic and colorful Provence.
